

Friday 11 October, 2019

<b>8.00am-8.30am Registration</b>	
8.30am-10.00am	<b>Session I: Break throughs and Impacts in the Skin &amp; Skin Cancer field</b> <i>Chair: Professor David Whiteman</i>
8.30am-8.40am	ASSC Annual Scientific Meeting - Welcome
8.40am-8.50am	Melanoma Screening Summit <i>Professor Monika Janda, The University of Queensland</i>
8.50am-9.05am	Identification of immunogenic neo-epitopes from acral melanoma for cancer immunotherapy <i>Professor Nick Hayward, QIMR Berghofer Medical Research Institute</i>
9.05am-9.20am	Development of an in vitro model for perineural invasion of squamous cell carcinomas of the head and neck <i>Priscila Oliveira de Lima, The University of Queensland</i>
9.20am-9.35am	Preventing permanent drug resistance in melanoma by targeting OGT-TET1 – An ASSC Enabling Grant project <i>Associate Professor Helmut Schaidler, The University of Queensland</i>
9.35am-9.45am	2020 ASSC Sun Exposure Summit <i>Professor Rachel Neale, QIMR Berghofer Medical Research Institute</i>
<b>9.45am-10.15am Morning Tea</b>	
<b>Session II: ECR and MCR presentations</b> <i>Chair: Professor Kiarash Khosrotehrani</i>	
10.15am-10.25am	A polygenic risk score derived from the general population predicts the risk of keratinocyte cancer in people with immunosuppression <i>Dr Mathias Seviiri, QIMR Berghofer Medical Research Institute</i>
10.25am-10.35am	Melanoma treatment guided by predictive and prognostic microRNA biomarkers <i>Dr Mitchell Stark, The University of Queensland</i>
10.35am-10.45am	Combined multi-trait analysis of skin cancer and related traits identifies >80 genome-wide loci <i>Upekha Liyanage, QIMR Berghofer Medical Research Institute</i>
10.45am-10.55am	Artificial intelligence and three-dimensional body imaging to identify naevi <i>Dr Brigid Betz-Stablein, QIMR Berghofer Medical Research Institute</i>
10.55am-11.05am	Social media for health promotion and skin cancer prevention <i>Carina Silva, The University of Queensland</i>
11.05am-11.15am	A web application for the automated extraction of diagnosis and site from pathology reports for keratinocyte cancers <i>Bridie Thompson, QIMR Berghofer Medical Research Institute</i>
11.15am-11.25am	Laser epidermal ablation reduces keratinocyte mutation load through sequencing: a clinical trial <i>Bonnie Wong, The University of Queensland Diamantina Institute</i>
11.25am-11.35am	Can an escape room be a unique educational platform for reducing cancer risk? <i>Dr Ken Dutton-Regester, QIMR Berghofer Medical Research Institute</i>
11.35am-11.45am	Increased bacterial colonization on skin of immunosuppressed organ transplant patients <i>Burhan Khan, The University of Queensland Diamantina Institute</i>
11.45am-11.55am	Adult height and risk of cutaneous melanoma: A Mendelian randomisation analysis <i>Jean Claude Dusingize, QIMR Berghofer Medical Research Institute</i>
11.55am-12.05pm	Live voting: People's Choice Award for Best Presentation
12.05pm-12.10pm	ASM wrap up, including Awards Presentation

**12.10pm-1.00pm Lunch**

1.00pm-1.10pm Global Advances and Controversies in Skin Cancers – Welcome  
*Professor Richard Lewandowski*

**Session III: Epidemiology and Burden**

*Chair: Professor Monika Janda*

1.10pm-1.30pm Keratinocyte cancers: an update on burden and risk  
*Professor David Whiteman, QIMR Berghofer Medical Research Institute*

1.30pm-1.50pm Risk factors for keratoacanthoma  
*Dr Magdalena Claeson, QIMR Berghofer Medical Research Institute*

1.50pm-2.10pm Primary prevention of KCs: Sunscreen and Vitamin D  
*Associate Professor Catherine Olsen, QIMR Berghofer Medical Research Institute*

2.10pm-2.30pm The role of psychology in cancer prevention and detection  
*Dr Samuel Smith, University of Leeds*

**2.30pm-3.00pm Afternoon Tea****Session IV: From Pathogenesis to service delivery**

*Chair: Associate Professor Catherine Olsen*

3.00pm-3.20pm Field cancerization: Why don't we get more Keratinocyte Cancers?  
*Professor Kiarash Khosrotehrani, The University of Queensland*

3.20pm-3.40pm Chemoprevention of Keratinocyte Cancers  
*Professor Diona Damian, The University of Sydney*

**Session V: Advanced disease**

*Professor Richard Lewandowski*

3.40pm-4.00pm High throughput clinics for solid organ transplant recipients  
*Associate Professor Nikky Isbel, Princess Alexandra Hospital*

4.00pm-4.20pm Next generation adjuvant trial in complex cutaneous SCC  
*Professor Sandro Porceddu, Princess Alexandra Hospital*

4.20pm-4.40pm Therapeutic choices for perineural invasion  
*Professor Fiona Simpson, The University of Queensland*

4.40pm-5.00pm Immunotherapy of Keratinocyte Cancers  
*Dr Rahul Ladwa, Princess Alexandra Hospital*

**5.00pm-7.00pm Networking Event: ASSC- Global Advances and Controversies in Skin Cancers**
